**Important: END-USE CERTIFICATE for Spring 2018**

The CBSA (Canada Customs) is requiring "End-use certificates" for imported bare root perennials. Imported bare root perennials are duty free when used by nurserymen/growers for growing on prior to disposal (sale). Without a valid "End-use certificate" on file, duty charges will be added to your invoice. Please fill out and sign this copy of the "End-use certificate" to avoid having to pay this duty.

We, the undersigned, certify that all perennial plants purchased from Molter BV, will be used for growing on prior to disposal (usually by sale, either retail or wholesale). We further certify that we are bona fide nurserymen, operating permanent, commercial growing facilities. Accordingly, we qualify for "Duty Free" importation under tariff items 0601.10.21.92000 of IRISES or 0601.10.21.99...other.
